

Central Florida Dressage Members---

Laura Causey and the Central Florida Horsemasters are sponsoring a saddle fitting clinic with Hannah Johnson on Tuesday evening, March 23, in Altoona, FL. You are cordially invited! Hannah is a Certified Saddle Fitter with Schleese Saddlery Service, and offers fascinating insight into that all important topic of proper saddle fit for the horse and rider. Hannah comes to Schleese after 35 years as an FEI dressage trainer and coach. She worked for 25 years with the development and promotion of Centaur saddles. She is available for saddle fit evaluations, and on a limited basis, for dressage instruction. Hannah will demonstrate using real horses the restrictions that are determined by the horse's anatomy, and how that varies horse to horse. Another interesting part Hannah will explain is the differences in human male and female pelvises and how that applies to the seat of our saddle.

The event will be held at Plumwood South Arena, 44945 Dupree Rd., Altoona, at 7 p.m. Please bring a folding chair. Any questions, call Laura at (352) 256-3718 or email to laura.causey@yahoo.com. Please RSVP to Laura so that we have an idea of numbers. Thanks, and hope to see you there!
