Daniel Stewart is one of the worlds leading experts on equestrian sport psychology, biomechanics and athletics.

- Daniel Stewart has successfully trained and instructed internationally for over 25 years.
- From 2000 to 2006 he coached several US Equestrian Teams to success at the World Championships, World Equestrian Games and Olympics.
- Internationally acclaimed author of "Ride Right".

Day One: Video Clinic

An inspiring clinic designed to help riders identify and solve imperfections that affect their performance and success by video analysis, then a lesson with coach Stewart.

Day Two: Psychology Clinic

For the first time ever, a mounted equestrian sport psychology class! This clinic teaches riders how to handle stressful and unpredictable events and how to influence the ability to succeed.
