

CFD Member Awarded Silver Medal

Long time Central Florida Dressage Member, Carol Bulmer achieved the USDF Silver Medal this year. To earn a Silver Medal a rider must have four scores of 60% or higher: two scores at fourth level from two different judges and two different rides, and two scores at Prix St. George from two different judges and two different rides. "I am thankful to Strutt's owner, George Daher, for the opportunity to show such a fine horse." Bulmer states "We already have two scores at Intermediare 1 in pursuit of our Gold Medal!"

Bulmer owns and operates Woodfield farm, an 11 acre training stable in south Clermont. Not only an FEI competitor, you may have seen Carol at shows in her position as USDF Technical Delegate (a rules resource person) or even in the judges booth at schooling shows as an "I" graduate.
